Volvo V70
2.4 / 185
2006, 172 000 km

A silver Volvo V40 is parked on a snowy surface in front of a building. The building has large glass windows and a sign that reads 'autoauto.pl' in orange and blue letters. The car's headlights are on, and its license plate is 'PWA 1743'. The background shows a snowy landscape and a red car parked inside the building's glass enclosure.
